NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE QUARTER ENDED SEPTEMBER 30, 2022

Note 1

Legal Status and Nature of Business

1.1 First National Bank Modaraba ("the Modaraba") is a multi-purpose, perpetual and multi-dimensional Modaraba formed under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and Rules framed thereunder. The Modaraba is managed by National Bank Modaraba Management Company Limited (a wholly owned subsidiary of the National Bank of Pakistan (NBP)), incorporated in Pakistan under the repealed Companies Ordinance, 1984 (now the Companies Act, 2017) and registered with the Registrar of Modaraba Companies. The registered office of the Modaraba is situated at Ground Floor, National Bank of Pakistan, Regional Headquarters Building, 26-Mc Lagon Road, Lahore.

The Modaraba is listed on Pakistan Stock Exchange Limited (PSX). It commenced its operations on December 4, 2003 and is currently engaged in various Islamic modes of financing and operations including ijarah, musharaka and murabaha arrangements.

1.2 Going concern assumption

As at the reporting date, the Modaraba's current liabilities exceed its current assets by Rs. 89.235 million (June 2022: Rs. 91.199 million) and its accumulated losses amount to Rs. 350.664 million (June 2022: Rs. 352.623 million). Further, the short term running finance facility obtained from National Bank of Pakistan (NBP) was expired on October 31, 2019 that has yet not been renewed while markup outstanding thereupon is also yet to be paid. Outstanding markup on this facility upto October 31, 2019 was Rs. 10.8 million. However, NBP is accruing markup beyond that date in its books; accordingly, the Modaraba, while its request of waiver / reduction of markup is in pendency, has also accrued a further amount of Rs. 59.5 million on account of finance cost against this facility accumulating to Rs. 74.38 million (June 2022: Rs. 70.311 million) as at the reporting date. The trading in the certificates of Modaraba has already been suspended and the name of the Modaraba is included in the defaulter list at PSX.

In purview of the consistent losses of the Modaraba, the Registrar Modaraba issued a show cause notice to the Modaraba as to why should the proceedings to wind it up not be initiated in terms of Section 23(1)(ii)(b) of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980. Further, the Registrar Modaraba, in exercise of powers conferred under Section 23(1)(ii)(b) of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980. Further, the Registrar Modaraba, in exercise of powers conferred under Section 23(1)(ii)(b) of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and aforementioned show cause notice, has passed an order dated October 31, 2019, for filing an application for winding up before the Modaraba Tribunal, Lahore. Subsequent to order dated October 31, 2019 of Registrar Modaraba, the winding up petition has been filed by Registrar Modaraba on June 16, 2020 under section 23(1)(ii)(b) before the Honorable Modaraba Tribunal, Lahore. However, the case is pending before the court and next date of hearing has been fixed on October 31, 2022.

Accumulated losses as on Sep 30, 2022 contain Rs. 280.742 million (2022: Rs. 285.220 million) against provision for doubtful receivables; the management believes that these amounts are notional in nature and these provisions are reversible in future to the extent of actual cash recoveries, as and when realized, from the defaulter clients. Besides fully charging provisioning in accordance with the Prudential Regulations for Modarabas issued by SECP ('PRs'), the Modaraba has also subjectively assessed the carrying value of its classified recievables and incorporating as much additional provisioning in the light of applicable regulations and management judgment.

The Modaraba has filed legal suits for recovery against all its defaulter clients and Rs. 431.157 million (June 2022: 432.058 million) have been decreed in Modaraba's favor by the Honorable Banking Courts, against principal amount, that are pending execution. Total current liabilities amounting to Rs. 327.598 million (June 2022: Rs. 323.295 million) include Rs.291.144 million (June million 2022: Rs. 287.374 million) payable to National Bank of Pakistan (NBP) on account of outstanding principal and mark-up on short term running finance facility that the management believes is not readily payable. Further, the current liabilities also include Rs. 33.006 (June 2022: Rs. 33.076 million) worth security deposits that are not immediately repayable rather shall be adjusted against the residual value of ijarah assets.

However, the winding up petition filed by the Registrar Modaraba indicates the existence of material uncertainty that casts significant doubts about the Modaraba's ability to continue as a going concern, and therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business. Therefore, these financial statements have been prepared on the basis of estimated realizable / settlement values of assets and liabilities respectively.
