INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of **National Bank Modaraba Management Company Limited** (the Company) as at **31 December 2015** and the related profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- (a) in our opinion, proper books of account have been kept by the Company as required by the Companies Ordinance, 1984;
- (b) in our opinion
 - i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of account and are further in accordance with accounting policies consistently applied except for the changes as stated in note 2.1, with which we concur;
 - ii) the expenditure incurred during the year was for the purpose of the Company's business; and
 - iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Company;
- (c) in our opinion and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 31 December 2015 and of the loss, total comprehensive loss, its cash flows and changes in equity for the year then ended; and
- (d) in our opinion, no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

CHIEF EXECUTIVE

DIRECTOR

NATIONAL BANK MODARABA MANAGEMENT COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2015

1 CORPORATE INFORMATION

National Bank Modaraba Management Company Limited (the Company) was incorporated on August 06, 1992 in Pakistan as a public limited company under the Companies Ordinance, 1984. The Company is a wholly-owned subsidiary of National Bank of Pakistan (the Holding Company). The purpose of the Company is to float and manage Modaraba funds. The Company floated First National Bank Modaraba in December 2003. The registered office of the Company is situated at 5th Floor, NBP Regional Head Quarter Building, 26 - McLagon Road, Lahore.

2 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provisions of or directives issued under the Companies Ordinance, 1984, shall prevail.

2.1 Standards, interpretations and amendments to published approved accounting standards effective in 2015

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as follows:

New Standards, Interpretations and Amendments

The Company has adopted the following financial reporting standards, amendments and interpretation of IFRSs which became effective for the current year:

- IFRS 10 – Consolidated Financial Statements
- IFRS 11 – Joint Arrangements
- IFRS 12 – Disclosure of Interests in Other Entities
- IFRS 13 – Fair Value Measurement
- IAS 19 – Employee Benefits – (Amendment) - Defined Benefit Plans: Employee Contributions

Improvements to Accounting Standards Issued by the IASB in December 2013

- IFRS 2 - Share-based Payment - Definitions of vesting conditions
- IFRS 3 - Business Combinations - Accounting for contingent consideration in a business combination
- IFRS 3 - Business Combinations - Scope exceptions for joint ventures
- IFRS 8 - Operating Segments - Aggregation of operating segments
- IFRS 8 - Operating Segments - Reconciliation of the total of the reportable segments' assets to the entity's assets
- IFRS 13 - Fair Value Measurement - Scope of paragraph 52 (portfolio exception)
- IAS16 - Property, Plant and Equipment and IAS 38 Intangible Assets – Revaluation method – proportionate restatement of accumulated depreciation / amortization
- IAS 24 - Related Party Disclosures - Key management personnel
- IAS 40 - Investment Property - Interrelationship between IFRS 3 and IAS 40 (ancillary services)

The adoption of the above amendments, revisions, improvements to accounting standards and interpretations did not have any material effect on the financial statements.

3 BASIS OF PREPARATION

3.1 Basis of measurement

These financial statements have been prepared under historical cost convention.

3.2 Functional and presentation currency

These financial statements are presented in Pak Rupee, which is the Company's functional currency.

4 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of financial statements are in conformity with approved accounting standards, as applicable in Pakistan, requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. These estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. The areas involving a higher degree of judgments or complexity or areas where assumptions and estimates are significant to the financial statements are as follows:

a) Useful life and residual values of property and equipment

The Company reviews appropriateness of the rate of depreciation, useful life and residual value used in the calculation of depreciation. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis. In making these estimates, the Company uses the technical resources available with the Company. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment, with corresponding effects on the depreciation charge and impairment.

b) Impairment of assets

The carrying amounts of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such indication exists, the asset's recoverable amount is estimated in order to determine the extent of impairment loss, if any. Impairment losses are charged to profit and loss.

c) Taxation

In making the estimate for income tax payable by the Company, the Company takes into account the applicable tax laws and the decisions by appellate authorities on certain issues in the past.

5 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted in the preparation of these financial statements are consistent with those of previous financial year. These policies have been consistently applied to all the years presented, unless otherwise stated.

5.1 Property and equipment

Property and equipment is stated at cost less accumulated depreciation and impairment losses. Cost of property and equipment consists of historical cost and directly attributable cost of bringing the assets to their present location and condition.

Subsequent costs are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are charged to income during the period in which they are incurred. When a major inspection is performed, cost of replacement is recognized in the carrying amount of the plant and equipment as a replacement cost if the recognition criteria is satisfied.

Depreciation is calculated on a straight line basis over the useful life of the asset on the rates as disclosed in note 7. Full month's depreciation is charged in the month of addition while no depreciation is charged in the month of disposal.

An item of property and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognizing of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period the asset is derecognized.

The assets' residual values, useful lives and methods of depreciation are reviewed, and adjusted if appropriate, at each financial period end.

5.2 Investments

Investment in managed Modaraba

Investment in managed Modaraba is stated at fair value. Any gain or loss due to re-measurement is charged to other comprehensive income and accumulated in statement of changes in equity.

Held-to-maturity investments

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Company has the positive intention and ability to hold them to maturity. After initial measurement, held to maturity investments are measured at amortized cost using the Effective Interest Rate (EIR), less impairment.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance income in the statement of profit or loss. The losses arising from impairment are recognized in the statement of profit or loss as finance costs.

5.3 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, cheques in hand, cash at bank in current, saving and deposit accounts and other short term highly liquid instruments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

5.4 Financial instruments

All the financial assets and financial liabilities are recognized at the time when the Company becomes a party to the contractual provisions of the instruments. The Company derecognizes a financial asset or a portion of financial asset when, and only when, the enterprise loses control of the contractual rights that comprise the financial asset or portion of financial asset. While a financial liability or part of financial liability is derecognized from the balance sheet when, and only when, it is extinguished, i.e.; when the obligation specified in the contract is discharged, cancelled or expires.

Financial assets are investments, deposits, trade debts, other receivables, cash and bank balances. These are stated at their nominal values as reduced by the appropriate allowances for estimated irrecoverable amount.

Financial liabilities are classified according to the substance of the contractual arrangements entered into. Significant financial liabilities are short term running finance utilized under mark-up arrangements, creditors, accrued and other liabilities. Mark-up bearing finances are recorded at the gross proceeds received. Other liabilities are stated at their nominal value.

Egypt

5.5 Impairment

The carrying amount of the Company's asset is reviewed at each balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognized wherever the carrying amount of the asset exceeds its recoverable amount. Impairment losses are recognized in profit and loss account. A previously recognized impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognized. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increased amount cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in profit and loss account.

5.6 Offsetting of financial assets and financial liabilities

A financial asset and financial liability is offset and the net amount is reported in the balance sheet if the Company has a legally enforceable right to set off the recognized amounts and intends either to settle on net basis or to realize the assets and settle the liabilities simultaneously.

5.7 Taxation

Current

Provision for current taxation is based on taxable income at the current rate of tax after taking into account applicable tax credits, rebates and exemptions available, if any. The charge for the current tax includes adjustments to charge for prior years, if any.

Deferred

Deferred tax is provided in full using the balance sheet liability method on all temporary differences arising at the balance sheet date, between the tax bases of the assets and liabilities and their carrying values. Deferred tax assets are recognized for all deductible temporary differences to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized.

The carrying amounts of all deferred tax assets are reviewed at each balance sheet date and reduced to the extent, if it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax assets to be utilized.

The tax rates enacted at the balance sheet date are used to determine deferred tax.

5.8 Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. The expense relating to any provision is presented in profit or loss net of any reversals.

5.9 Revenue recognition

Interest on bank accounts / deposits is recognized on time proportion basis.

Management fee is recognized when the right to receive has been established based on the profit after tax of managed Modaraba.

5.10 Related party transactions

Transactions with related parties are made at arm's length price determined in accordance with the comparable uncontrolled price method except for the allocation of expenses relating to combined offices shared with the Holding Company, which are allocated on the actual basis.

6 STANDARDS, INTERPRETATIONS AND AMENDMENTS TO PUBLISHED APPROVED ACCOUNTING STANDARDS THAT ARE NOT YET EFFECTIVE

The following amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation.

<u>Standard or Interpretation</u>	<u>Effective date (annual periods beginning on or after)</u>
IFRS 10 - Consolidated Financial Statements, IFRS 12 Disclosure of Interests in Other Entities and IAS 27 Separate Financial Statements – Investment Entities: Applying the Consolidation Exception (Amendment)	01-Jan-16
IFRS 10 - Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	01-Jan-16
IFRS 11 - Joint Arrangements - Accounting for Acquisition of Interest in Joint Operation (Amendment)	01-Jan-16
IAS 1 – Presentation of Financial Statements - Disclosure Initiative (Amendment)	01-Jan-16
IAS 16 - Property, Plant and Equipment and IAS 38 intangible assets - Clarification of Acceptable Method of Depreciation and Amortization (Amendment)	01-Jan-16
IAS 16 - Property, Plant and Equipment IAS 41 Agriculture - Agriculture: Bearer Plants (Amendment)	01-Jan-16
IAS 27 – Separate Financial Statements – Equity Method in Separate Financial Statements (Amendment)	01-Jan-16

The above standards and amendments are not expected to have any material impact on the Company's financial statements in the period of initial application.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in September 2014. Such improvements are generally effective for accounting periods beginning on or after 01 January 2016. The Company expects that such improvements to the standards will not have any material impact on the Company's financial statements in the period of initial application.

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

<u>Standard</u>	<u>IASB Effective date (annual periods beginning on or after)</u>
IFRS 9 – Financial Instruments: Classification and Measurement	01-Jan-18
IFRS 14 – Regulatory Deferral Accounts	01-Jan-16
IFRS 15 – Revenue from Contracts with Customers	01-Jan-18

23 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial liabilities comprise of payable to National Bank of Pakistan. The main purpose of these financial liabilities is to raise finance for the Company's operations. The Company has various financial assets such as receivables and cash and short-term deposits, which arise directly from its operations. The main risks arising from the Company's financial instruments are credit risk, liquidity risk, foreign currency risk and interest rate risk. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below:

23.1 CREDIT RISK

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. The Company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties.

Concentration of credit risk arises when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations of credit risk indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

The Company is exposed to credit risk on profit receivables, short term investment and bank balances. The carrying amounts of the financial assets represent the maximum credit exposure before any credit enhancements. The Company has placed funds with financial institutions with high credit rating. The Company assesses the credit quality of counterparties as satisfactory. The maximum exposure to credit risk at the reporting date is:

	Carrying Values	
	2015 Rupees	2014 Rupees
Due from First National Bank Modaraba	-	348,724
Profit on bank deposit	39,640	54,148
Short term investment	100,000,000	100,000,000
Bank balances	7,124,163	4,067,397
	<u>107,163,803</u>	<u>104,470,269</u>

Quality of Financial Assets

The credit quality of balances with banks can be assessed by reference to external credit ratings as shown below:

	Rating Short		Rating Agency	
	term		2015 Rupees	2014 Rupees
Investment				
Dubai Islamic Bank Pakistan Limited	A-1	JCR-VIS	100,000,000	-
First Women Bank Limited	A2	PACRA	-	100,000,000
Bank Balances

Al Baraka Bank (Pakistan) Limited	A1	PACRA	3,607,782	1,144,651
National Bank of Pakistan	A1+	PACRA	215,107	2,875,820
Faysal Bank Limited	A1+	PACRA	26	26
The Bank of Punjab	A1+	PACRA	15,146	14,146
Meezan Bank Limited	A-1+	JCR-VIS	18,943	17,386
BankIslami Pakistan Limited	A1	PACRA	3,250,179	-
			<u>7,124,163</u>	<u>4,067,397</u>

23.2 LIQUIDITY RISK

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its obligations when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses different methods which assists it in monitoring cash flow requirements. Typically the Company ensures that it has sufficient cash on demand to meet expected operational expenses for a reasonable period, including the servicing of financial obligations, if any. When required, the Holding Company can also make payments on behalf of the Company (refer note 14). The table below summarizes the maturity profile of the Company's financial liabilities at the following reporting dates:

[Handwritten Signature]

2015	On Demand	Less than 3 months	3 months to 12 months	Total
	----- (Rupees) -----			
Trade and other payables	1,065,900	165,000	-	1,230,900
Due to National Bank of Pakistan	84,127,822	-	-	84,127,822
	<u>85,193,722</u>	<u>165,000</u>	<u>-</u>	<u>85,358,722</u>
<hr/>				
2014				
Trade and other payable	1,065,900	165,000	-	1,230,900
Due to National Bank of Pakistan	76,071,758	-	-	76,071,758
	<u>77,137,658</u>	<u>165,000</u>	<u>-</u>	<u>77,302,658</u>

23.3 FOREIGN CURRENCY RISK

Foreign currency risk is the risk that the value of a financial asset or a financial liability will fluctuate due to change in foreign exchange rates. It arises mainly where receivables and payables exist due to transactions in foreign currency. The Company has no receivables and payable in foreign currency, hence not exposed to foreign currency risk.

23.4 INTEREST RATE RISK

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rate. The Company has no borrowing however, term deposit receipt and saving accounts with commercial banks are on interest rate renegotiable after 1 to 6 month.

Sensitivity Analysis:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant, of the Company's loss / profit before tax (through the impact on floating rate) and the Company's equity. The sensitivity analysis is based on the assumption that deposit remains constant in the period.

	Increase/decrease in basis points	Effect on (loss) before tax	
		2015	2014
		Rupees	Rupees
	+10	<u>868,948</u>	<u>977,872</u>
	-10	<u>(868,948)</u>	<u>(977,872)</u>

23.5 CAPITAL RISK MANAGEMENT

The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximize shareholder value. The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust dividend payments to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the year ended 31 December 2015 and 31 December 2014. Capital includes ordinary shares and reserves.

23.6 FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying values of the financial assets and financial liabilities approximate their fair values. Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. The carrying values of all financial assets and financial liabilities approximate their fair values.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities. The Company has measured its available for sale investment using level 1 input method.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable. The Company has no item to report at this level.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. The Company has no item to report at this level.
